

# **NEEDLE STITCH COMPOSITE LTD.**

100% Export oriented Garments industries

*Quality, Commitment & Customer Satisfaction is our  
Main Motto*

## **RMG SECTOR IN BANGLADESH**

Bangladesh is one of the strongest readymade garments exporting country in the world considering both capabilities & competitiveness. In 2015/16 RMG export of Bangladesh was over \$28 billion and 2<sup>nd</sup> in the world. But in last economic year 2022/23 Bangladesh beat China by securing 1<sup>st</sup> position in UK and achieve \$55.56 billion.

# **ABOUT NEEDLE STITCH** **COMPOSITE LTD**

Needle Stitch composite is an iconic knit garment factory nestled inside the tropical area of Dhaka district.

“Quality & Commitment is our main goal”- with this slogan, it started its operation in 2023. The factory is conveniently located in an area which is also hub of many skilled sewing machine operators.

Covering more than 10,000 square feet of land, this enterprise has not only installed modern machineries but also implemented progressive Production & HR tools and techniques.

### **OUR MISSION:**

*We are committed to earn highest level of customer's satisfaction through a socially responsible and eco-friendly business operation. We constantly work as a catalyst to bring positive changes in our employee's life.*
